THE LONG AND SHORT

Our Vision

Our vision is to provide strategic brand solutions that will achieve growth and sustainability for businesses through our key pillars:

people;
portfolio;
productivity &
profit.

Who We Are

Nandi Brands Communications is a dynamic promotional company that specializes in branding, printing solutions, corporate gifts and uniform.

We are one of the few South African companies that boasts of relationships with local companies that house manufacturing, warehousing, design and branding under one roof.

This gives us a competitive edge and makes meeting our clients' timelines much easier.

We honour our role as the brand custodians for our clients by delivering work with pride and precision.

At Nandi Brands Communications we value integrity, accountability and excellence.

What We Do

Nandi Brands Communications boasts a large variety of premium gifts collection.

We have a spectacular range of the latest desirable products that caters for a host of corporate gifting requirements. These products range from, power banks, drink-ware & food, work & leisure bags and writing instruments, to name but a few.

We even create custom made hampers on request.

We are able to do embroidery, digital transfer printing, engraving, pad printing, screen-printing, laser engraving and depositing to the aforementioned corporate gift ideas.

Our value proposition to our clients is to always deliver; whatever it takes.
